

TOWN of CLARENDON.

SCHOOL DIRECTORS' REPORT.

The Board of School Directors met at the Town Hall on the 7th day of March, 1908, and organized by electing E. E. Congdon Chairman, and J. H. Davis Clerk, for the ensuing year.

Mrs. Beatrice J. Walker was appointed Superintendent of Schools, J. W. Plumley and M. H. Ridlon, Truant Officers.

Decided to have 32 weeks of school, 11 weeks each in Spring and Fall terms and 10 weeks Winter.

On the 16th day of May, 1908 the School Directors of towns of Wallingford, Clarendon, Shrewsbury and Tinmouth, met at the High School building in Wallingford and formed a union for the purpose of employing a Superintendent of Schools, as per Sections 938 to 943 Public Statutes.

At a meeting held in Wallingford on June 22, it was decided to admit the town of Middletown Springs to membership in the said union. The question of admitting same having been left open from the previous meeting.

Carroll H. Drown of Milford, N. H., was employed to act as Superintendent of Schools for one year at a salary of \$1400 00, Clarendon's share to pay being \$285 59, of this amount the town will receive from the State (at the end of the year July 1st., 1909) about \$204 00.

The pupils attending the Rutland High School from this town are Hannibal Hodges, Harry Holden, Leland Fish, Mary Ross, Margurite Riley, and Rachel Carpenter.

For the coming year we would recommend a tax of 40 cents on the dollar for support of schools, and if extensive repairs are to be made on school buildings, more will be necessary.

The following orders have been drawn to pay balance of expenses for the school year ending March 31, 1908.
